

Welcome to the 4th annual Symphony on the Sand

Enjoy an elegant evening on picturesque and unspoiled Coquina Beach featuring three hours of fine food and music provided by the island's own 45-piece orchestra, Anna Maria Island Concert Chorus & Orchestra, under the accomplished baton of Maestro Alfred Gershfeld (a product of the Kishinev and Moscow Conservatories). Noted local soloists, supported by a professional chorus, will provide vocal talent. Local favorites, from television and radio, will co-emcee the evening. A catered presentation of small plates offered by local restaurateurs will add to our sponsors' experience. Sponsors will enjoy complimentary wine, select beer, and access to luxury restrooms exclusive for VIP table guests.

VIP Corporate and Table Sponsors are seated on the beautiful white sand overlooking the Gulf of Mexico while musicians perform renowned selections of international and American musical compositions under canopy, with the famed Anna Maria Island sunset as a backdrop. Bring the family and introduce the children to Strauss and Mozart. The Orchestra will also perform popular American Classics as well as songs from Broadway productions and Movies.
