## **Form Instructions**

This document will provide tips and strategies for writing your proposal to apply for the Save the Trolley- Giving Back Request for Not-For-Profit Contribution.

Take the time to do your homework. Your proposal should meet the stated guidelines in areas such as adhering to deadlines, fully responding to all areas of the request for contribution and being available for clarification, should it be necessary.

If your receipt of monies is slated for a specific project, please make certain to indicate that the monies are to be utilized for a special purpose. Information on the special project or purpose should be provided in detail.

## **Clarification of Terms**

501(c) - This is the section of the IRS (Internal Revenue Service) Code that defines organizations as not-for-profit organizations with tax exempt status by reason of charitable activities and purposes. The IRS provides a Letter of Determination to organizations who fall into this category.

## **What Do You Intend to Accomplish?**

Briefly explain your goals, objectives and intended outcomes:

- Goals - Goals should be directed toward a vision and be consistent with the mission. Something the organization wants and expects to accomplish in the future. Goals are broad and visionary.
- Objectives - A specific measureable result expected within a particular time period, consistent with a goal and strategy, a clear "milepost" towards your stated goals.
- Outcomes - An outcome should answer the following questions: What impact will this grant have? What changes (in knowledge, behavior, or condition) will occur as a result?

Distinguish your organization and this proposal from other efforts. Explain what is unique about your organization and why you are well situated to address the issue or need.

If you are collaborating with other organizations, indicate with whom and for what purpose. Collaborations come in several different forms. Be sure to explain how this collaboration will work and the role(s) of each organization, as well as how long the collaboration has been running.

## **Tips and Strategies**

We recommend that the proposal should:

- Demonstrate your organization's commitment and uniqueness in your proposal
- Be clear and concise; be thorough yet strive for brevity
- Acknowledge similar programs and awareness of relevant data
- Set measurable goals and objectives

Be certain to keep your proposal narrative consistent with the heading or question. You can provide additional information that is important to your request.
